Dear Mr. Houston:

I am doing research for an article dealing with the CIA. In this connection, I have become interested in the case of Heine v. Raus. I would appreciate very much receiving copies of the briefs and other public documents which the CIA filed in the case as they would be extremely useful to me in explaining the agency's position. Thanking you in advance for complying with this request, I am,

Sincerely yours,

Jerrold L. Walden
